HELP WANTED

Our daycare is in need of teachers. If you know of anyone that would be interested in working with the daycare and has a clean background please ask them to come to our daycare office and apply. Right now we are down 3 staff and 1 out on maternity leave.

AWANA'S

Awana is more than just about children, it is about the workers too. Would you be interested in receiving a blessing. Can you give a child 30 minutes each week?

We have the thing for you. All you have to do is

listen. Listen. That's it listen to a child as they learn their verses. Wow, to hear a child's voice speak God's word and from their little mouths. Can you imagine the blessing you will receive? Our children and youth are our church of tomorrow. If we don't train them up the way they should be then they will not know how to be a Christian or how to come to church when they are grown. 30 minutes is all that is needed. 30 minutes a week. Can you give a child 30 minutes? If so, please see Laura Chumley. Let's give our children the tools they need to help them for a life-
